WALKING TOWARD

# Eternity

Making Choices For Today

DARING TO WALK THE WALK

*Walking Toward Eternity* is an inspiring series designed to help participants live their faith more fully. Through daily prayerful meditation with Scripture (lectio divina), they will be drawn into an intimate and life-changing encounter with Christ. *Daring to Walk the Walk*, the first series of *Walking Toward Eternity*, introduces seven key virtues and outlines practical steps for living them out in daily life. This study shows how to put our Catholic faith into practice through prayer and action. The result is real, often profound change occurring in people's lives as they begin living as God intended them to.
