

FULFILLED

Uncovering the Biblical Foundations of Catholicism – PART ONE

March 2019 – April 2019

Have you ever been unable to explain the “why” of Catholic beliefs? Have you ever wondered why the Old Testament sounds so different from the New Testament? In the Old Testament, God began building a plan and laying a foundation for the beautiful traditions of the Catholic Faith. That plan was fulfilled by Jesus in the New Testament.

Fulfilled: Uncovering the Biblical Foundations of Catholicism is an apologetic approach to sharing the Catholic Faith using the Old Testament Tabernacle as a blueprint for God’s plan. While it is designed as a faith-sharing Scripture study, you will also gain an understanding of some of the most questioned Catholic teachings.

Fulfilled will reignite your love of Scripture and help you share and defend the Catholic Faith with the Word of God.

Fulfilled will help you ...

- Explain how Jesus fulfills the Old Testament
- Share the Catholic Faith concisely
- Examine your own faith and grow deeper in your relationship with Christ
- Learn how to answer incomplete and non-Catholic interpretations of the Bible
- Acquire a thorough knowledge of the Tabernacle's design and its function as a blueprint for the Faith

All Meetings will take place
