COMMUNION DURING MASS

- † If possible, bring your own personal hand sanitizer for use during Mass, especially before and after Holy Communion.
- † Facial Masks are encouraged but not required during Mass. Eucharistic Ministers (EMs) will wear masks during distribution of Holy Communion.
- † To best maintain 6 feet of distance between households, Eucharistic Ministers will distribute the Holy Body of Christ by entering empty pews separating parishioners and deliver Communion to the faithful in their pews. Once the EMs have exited the empty pew, guests can remove their masks (if wearing one) and consume the host.

IMPORTANT INFORMATION

- † Missalettes will only be available for one-time use and ***must*** be taken home and brought back each week. For personal health and safety, please do ***not*** use a missalette found in a pew.
- † For the same health reasons, *Gather Hymnals* have been removed from the sanctuary until further notice.
- † Any bells borrowed and used by our youth during the Eucharistic Prayer ***must*** be taken home with families to be used again the following weekend. Please do ***not*** use bells found in a pew.
